is vacant (consequent to the appointment of Mr. B. Krishnaswamy Chetty as acting supdt.). Dr one of the two posts of sub-Asstt. supdts. Mr. D. Daniel is appointed and placed in charge of Govt. Central Book Depot. For the other post, Mr. B. Gopala Iyengar, general foreman, central press has been recently appointed as temporary sub-Asstt. supdt. (vice Mr. D S. Gurubarasappa promoted as Asstt. supdt.) their distribution at present is as follows:-

Supdt. (Bangalore)

1 Asstt. supdt.	1 Asstt. supdt. (vacant.)
	1 sub Asstt. supdt (Mr. Gopala Iyengar, temporary)
	1 sub Asstt. supdt (Book Depot.)

12) In his letter dated 21-4-39 (P+S 108-38-1) the previous supdt. (Mr. Venkatasubba Rao) recommended that the post of the Asstt. supdt. of the central press may be kept vacant and that against that Mr. K. Shamanna

K.

Head clerk, may be appointed as Temporary Sub-Asstt. Supdt. on Rs 125/-. He stressed there that the ~~above~~ proposed appointment of Mr. K. Shamanna and that of Mr. B. Gopala Iyengar, already sanctioned, must be treated as temporary so that they may not get any seniority over the probationers. He was of opinion that the probationers may be appointed as sub-Asstt. supdts after they receive foreign training.

13) x. It is, however, seen from the C. B. file 185-38-3 that in May 1939 Mr. Venkatasubba Rao submitted revised proposals. He has there suggested that ~~Mr.~~ Mr. D. Daniel, Sub-Asstt. supdt., who has been in charge of the Govt. central Book Depot and press Accounts for the last seven years may be placed in direct charge of the working branches for a year or two before the question of his further promotion can be taken up. He desired that

x. (linked file Q)

NOTE-Contn. Sheet.

that the appointment of one Sub Asstt. supdt. and one Asstt. supdt. in the central press and Book Depot may be kept in abeyance. Against them he proposed to create two new appointments of (1) "Chief Foreman" on Rs 100-5-125 and (2) "office Asstt. to the Supdt." on Rs 100-5-125. He suggested that Mr. Gopala Iyengar may be appointed as Chief Foreman after giving 2 advance increments and that he may be started on a pay of Rs 110/-. He was to be in the residential quarters attached to the Press Buildings. He proposed Mr. K. Shamanna for the new post of "office Asstt. to the Supdt." as he has already been given a personal grade carrying the same pay. He was to be in charge of the Book Depot, stationery Depot, Press office & accounts and the forms and Despatching Branches. He had also suggested certain distribution of work between Mr. R. S. Mawsey and Mr. K. Srinivasaiah, the Press Probationers.

14) On these proposals the previous Development secretary (Mr. M. Venkataramanappa) has given his views (after discussing with the Supdt.) in para 10 of notes of the C.B. file No. 185-38-3 ~~of the latest to this file~~. There he has stated that in the usual course Mr. D. Daniel should be promoted to the vacant post of Assistant Supdt. But as ~~he~~ Mr. Daniel was stated to have all along been in charge of the Book Depot, he suggested that he may be put in charge of the working branches and tried for a period of six months or one year and that if his work is satisfactory he may be ~~posted~~ promoted to the next higher grade. He also suggested that the press probationer, Mr. Sri Vijayapalin may be appointed as Sub-Asstt. Supdt. and be given regular duties in the press. He was against keeping the Sub-Asstt. Supdt's post vacant. He approved the idea of making Mr. K. Shamanna, the Head clerk as 'Office Assistant to

the supdt. and placing him in charge of the Book Depot and the management of the office. He opined that Messrs. R.S. Ramsey and Sri Rama may continue as probationers and that they may be trained in different branches. Mr. Ramsey was proposed to be given charge of litho and other special work. He approved the supdt's proposal that the post of 'Chief foreman' may be created and the post of foreman abolished, Mr. Gopal Iyengar being appointed as 'chief foreman' on Rs. 105/- i.e. with one increment in para 15 of the notes of that file (C.C. B. 185*-38-3) the second Member of council was pleased to order that the leave (preparatory to retirement) asked for by Mr. Venkatasubba Rao may be sanctioned and the file may then be put up for sanction of consequential arrangements. (linked file)

15) In the meanwhile the present acting supdt. (Mr. Krishnaswamy Chetty) has submitted

his views in the matter as desired by the second Member of Council. Mr. Krishnaswamy Chetty feels that due to an all-round increase of work caused by the steadily expanding activities of the various Depts. of Govt. the present strength of gazetted officers find it difficult to pay proper attention to the innumerable details involved in the nature of work entrusted to them. He feels that much remains to be done in the matter of improving efficiency as well as quality of work turned out in the branches so he asks for extra officers.

16) He states that the establishment and equipment of the Branch press has been increased to handle the greatly increased printing work of the Railway Deptt. He wants an additional officer for that press to attend to the further expansion of equipment and men and to handle most of the Text Books of the Deptt. of Public Instruction. It may be stated here that at

NOTE-Contn. Sheet.

present the Asstt. supdt. is the only gazetted officer in the Branch Press, Hyd are and the next seniormost official in that Press is the foreman i in the grade of Rs 40-2-50. If the Asstt. supdt. were to take leave for a few days then, perhaps, this official will have to look after his work. The Branch Press has to attend to the works of the Palace and Railways depts among others. The appointment of another gazetted officer in addition to the Asstt. supdt. is for kind special consideration.

17) He has proposed the introduction of the costing system of accounts in the press as it has already been done in other provincial Govt. presses so as to prevent waste and increase efficiency in the working of the different sections. He states that the introduction and working of the costing system of press accounts so as to link properly ~~in~~ the administrative sections of the printing office

with the working branches requires the close attention of one officer and that this will relieve the existing officers of same work so that they can pay closer attention to the work of the stationery depot, including the Forms Branch, of the Govt. Book Depot and of the working Branches of the Printing office. Thus he requires another additional ~~Asstt~~ officer of the rank of sub-Asstt. supdt. for the central Press.

This may also be considered

18) As noted in the last two paras he wants two more officer of at least the status of a sub-Asstt. supdt. on Rs 125-10-175. As against the consequential average extra cost of Rs 316-10-8, he shows a saving of Rs 161-10-8 by appointing a sub-Asstt. supdt. against the vacancy of Asstt. supdt (200-40/2-400). In view of the above he says that the net extra cost would be only Rs 155-0-0 per month. He states that considering especially the concentration of printing of all publications of

NOTE-Contn. Sheet.

Serial No.

of the deptt. of Public Instruction at the Govt. printing office alone so as to meet the demands of the public satisfactorily this extra cost is worth while incurring. He states that it may be charged on the cost of the books if the printing of all of them is concentrated in the Govt. printing office. The effect of the above proposals will be as follows:-

Present scale	Proposed
1 superintendent (500-50/2-750)	1 Superintendent.
2 Asstt. supdts. (200-40/2=400)	1 Asstt. supdt.
2 sub Asstt. supdts. (125-10-175)	5 Asstt. supdts.
5	6

19) As for filling up the four posts of sub Asstt. supdts. (if his above proposals are sanctioned) he proposes that the two probationers who will be completing their probation early next year may be appointed as sub Asstt. supdts. and confirmed as sub Asstt. supdts. for the other two posts he proposes the two officials who have risen from the ranks

Serial No.

and have already acted as sub Asstt. supdts. may be appointed as Acting Sub Asstt supdts. the relative ranks of all these officers are to be fixed as and when occasions arise purely on merit and good satisfactory work put in by them.

20) Lastly he states that it is essential that the department of Lithography should be improved and that modern equipment for purposes of publicity printing of govt., installed in the very near future, when another officer would be required to look after this most important work. He proposes that the remaining probationer may be appointed for this work when he completes his probation.

21) Kind reference is also invited to Mr. D. Daniel's representation praying that he being the seniormost sub Asstt. supdt may be appointed for the vacant post of Asstt. supdt. of the central press. A copy of this representation has been forwarded

Subject.— Proposal to abolish (1) the post of an Assistant Superintendent, Printing and Stationery and create in its stead two posts of Sub Assistant Superintendents and (2) to appoint an additional Sub-Assistant Superintendent for the printing of Educational Text Books temporarily for a period of three years.

47

The present gazetted staff of the Government Printing consists of

one Superintendent,

two Assistant Superintendents and

two Sub Assistant Superintendents.

B+P

The Superintendent reports that, owing to an all-round increase of work in all the sections of the Press caused by the steadily expanding activities of the various departments of the Government, it has not been possible for the existing gazetted staff to supervise adequately the work of the press in the various branches and requests that the staff may be suitably increased. It is therefore proposed to increase the cadre of Sub-Assistant Superintendents by appointing three more Sub-Assistant Superintendents on Rs 125-10-175. To keep down the cost, two of these posts will be against the post of Assistant Superintender which is vacant consequent on the promotion of Mr.B.Krishnaswami Chetty as Superintendent and which will be abolished. The - third post of Sub Assistant Superintendent will be temporary for a period of three years and is intended for supervising the printing of Educational Text Books. The cost on this account will be included in the sale price of the text books. There will then be one Superintendent, one Assistant Superintendent and five Sub-Assistant Superintendents. Of these, the Assistant Superintendent and a Sub-Assistant Superintendent will be posted to the Branch Press at Mysore where the printing work of the Railway Department has considerably increased. The remaini four Sub-Assistant Superintendents with the Superintendent will)e available for the Central Press at Bangalore.

47

2. The only permanent Sub Assistant Superintenden

is Mr. Daniel. Two officials - Messrs Gopala Iyengar and - Shamanna - are attending to the work of Sub-Assistant Superintendents. There are also three Probationers viz., Messrs - Vijayapaliah, Mounsey and Sri Ram. The first two will be completing their period of probation shortly and Mr. Sri Ram in January 1941. So, for the present, in the five posts of Sub-Assistant Superintendents, including the additional post for the printing of text books which will be for a period of three years, the following five will be the incumbents:-

1. Mr. Daniel
2. Mr. GopalaIyengar
3. Mr. Vijayapaliah
4. Mr. Shamanna
5. Mr. Mounsey.

Neither Mr. GopalaIyengar nor Mr. Shamanna will be regarded as seniors to the Probationers as they will be only temporary Sub-Assistant Superintendents. The seniority as amongst the Probationers will be determined on merit at the time they are confirmed. The Financial Secretary who was consulted is agreeable to these proposals.

SIR,

1) I have the honor to state that I have submitted with this office letter No. P. 4116, dated 13-4-1939, my application for the grant of three months' privilege leave from 16-6-1939 preparatory to my retirement from 18-9-1939, through the Comptroller, and submitted a recommendation that Mr. B. Krishnaswamy Chetty, Assistant Superintendent, who is incharge of the Government Branch Press, Mysore, may be appointed to act as Superintendent in my place and that Mr. D.S. Gurubasavappa, Assistant Superintendent, may be posted to the charge of the Government Branch Press, Mysore.

2) I further beg to propose that Mr. K.Shamanna, Head Clerk in the grade Rs 100-5-125 (personal) who has acted as Sub-Assistant Superintendent previously on three occasions for a total period of ten months and twenty-two days, may be kindly appointed as Temporary Sub-Assistant Superintendent on Rs 125/- against the vacancy of the Assistant Superintendent, just as was ordered in Government Order No. G. 9149/P. & S. 84-37-3, dated 18-5-1938 on my appointment as Acting Superintendent, last year.

3) The same distribution of work between the two Temporary Sub-Assistant Superintendents, viz: Messrs. B. Gopala Iyengar and K. Shamanna as was ordered in Government Order No. G. 9150-1/P&S. dated 18-5-1938, may be approved on the present occasion also for the conduct of work.

4) Distribution of work.

(1) All the Working Branches and the Press Stores to be under the charge of Mr. B. Gopala Iyengar, Temporary Sub-Assistant Superintendent. He will reside in the residential quarters attached to the Press Buildings and be responsible for the conduct of all work -

21/4/39

work received out of Office hours.

(2) The Press Office, Stationery Depot, Forms Branch and Despatching Branch to be under the charge of Mr. K. Shamanna, Temporary Sub-Asst. Superintendent.

5) In this connection I beg to invite kind attention of Government to this office letters No. P. 1683, dated 22-11-1935 and No. P. 1311, dated 22-9-1938 wherein the reasons for making the appointments to the Gazetted posts of Sub-Assistant Superintendents only on a temporary basis have been fully explained. The Government have been pleased to accept those reasons and to appoint Mr. B. Gopala Iyengar, Geneal Foreman as temporary Sub-Assistant Superintendent in their order No. G. 9050/P. & S. 37-38-12, dated 13-3-1939. I beg that Mr. Gopala Iyengar's appointment may be also treated as temporary on Rs 125/- and not temporary in the grade of Rs 125-10-175 as previously recommended. I am respectfully of opinion that nothing should be done to give the two Temporary Sub-Assistant Superintendents any seniority over the Probationers

6) The two Senior grade Probationers, Messrs. K. Sri Vijayapaliah and M.A. Sri Rama are graduates who have had a distinguished University career. They have been taking very keen interest in learning every aspect of the Printing Trade. Of the two, the Senior Probationer Mr. K. Sri Vijayapaliah who has been entertained more than two years ago has passed the Technical Examinations in - Composing, Proof Reading, Machine Work and Binding, and has completed practical training in all Branches of the Press. He is proposed to be placed in charge of the Binding Branch in this office letter No. P. 4200, dated 18-4-1939 for administrative training and will be fully eligible for being appointed as Sub-Assistant Superintendent after he receives higher training in England and America. Government have also directed in Development Secretary's letter No. G. 10192/ P. & S. 64-38-2, dated 10th April 1939 that proposals for his foreign training may be submitted after he regularly works for one or two years. The other probationer Mr. Sri Rama who was appointed as Probationer more than a year ago has passed the Composing and Proof Reading Examinations in first class and will similarly qualify himself after completing the examinations in Letter Press

Printing and receiving higher training in Printing in foreign countries. The subjoined statement shows the period that elapsed

between the date of appointment of each of the Press Probationers and their appointments to Gazetted posts. It will be seen that all the Probationers were appointted to Gazetted posts only after they finished higher training in foreign countries or carried on duties as Chief Foreman or General Foreman for a number of years. Government Order No.6331-4/p. & s 45-35-2 dated 8/12-2-1936 also contemplates the same conditions precedents in the case of the present Probationers and does not provide for their appointment as Gazetted Officers after completing their Probation even if vancancies are available. I have therefore, not submitted the case of Mr. Sri Vijayapaliah for consideration in this connection.

It is therefore very necessary that the appointments of Messrs. B. Gopala Iyengar and K. Shamanna should be made only on a temporary basis and that the two Senior Grade Probationers should have the first chance of confirmation as Sub-Assistant Superintendents as is the case in other Government Departments

such

such as Revenue, Police etc. This is especially so in the Printing and Stationery Departments where there are few chances of Gazetted posts falling vacant.

I solicit the favour of ~~an~~ early orders.

I have the honour to be,

Sir,

Your most obedient Servant.

3. Mr. K. Shamanna, Head Clerk in the grade of Rs.100-5-125 (personal) who has acted as Sub-Assistant Superintendent previously to be appointed as Temporary Sub-Assistant Superintendent on Rs.125/- against the vacancy of Assistant Superintendent (Whose grade is Rs.200-40/2-400).

He has suggested that it is very necessary that the appointments of Messrs, B. Gopala Iyengar and K. Shamanna should be made only on a temporary basis and that the two Probationers Messrs. K. Sri Vijayapaliah and M. A. Sri Rama, graduates of distinguished University career are taking very keen interest in every aspect of the Printing Trade and will become fully eligible for being appointed as Sub-Assistant Superintendents after they receive higher training in England and America should have the first chance of confirmation as Sub-Assistant Superintendents. To

The Secretary to the Government of Mysore,

Development Department,

B A N G A L O R E.

Through the Superintendent, Government Printing, Bangalore.

Sir,

I beg most respectfully to submit herewith a representation to Government in regard to my official status in the Government Press, Bangalore, where I am working for the past ten years.

2. I was appointed as Temporary Sub-Assistant Superintendent of the Government Central Press, Bangalore, in September 1929 on Rs.150/- per month. I was before that employed as Press Overseer on a salary of Rs.100/- in the Bangalore Press and held that post for nearly 12 years. I was recruited for meeting the special exigencies in the Government and entirely because I was found to be one fully equippdd for discharging the duties of the post to which I was chosen both by knowledge and experience acquired ~~for~~ after service in a Press which is known to Government and the Public as one of the best in the whole of India. As Sub-Assistant Superintendent, I was in charge of the Press Section for nearly three years and during this period the Superintendent being pleased with my work twice recommended me for the grade Rs.150-10-250, But the Government were not pleased to grant me the same on the ground that my appointment was yet temporary.

3. In September 1932, I was appointed as Sub-Assistant Superintendent of the Press to be in charge of the Government Central Book Depot and the Press Accounts on Rs.150/-

per month. By this change, I lost a sum of Rs.300/- per year which I was getting in the form of Remuneration for supervising Examination Question Papers, while I was in charge of the Press.

4. On the eve of the retirement of Mr. B. Puttaiya in May 1934 from the office of Superintendent, he was pleased to recommend my case for the third time for a grade Rs.150-10-250. The Government could not take up the matter this time as well, as the scales of the officers in the Press were then under revision.

5. I was confirmed as Sub-Assistant Superintendent in the grade Rs.125-10-~~250~~ 175 in October 1935 and was placed below Mr. D. S. Gurubasavappa on the ground that he was entertained in service in 1926, though he was drawing only Rs.75/- at the time I was drawing Rs.150/- per mensem. By this arrangement, I lost the chance of remaining the Senior Sub-Assistant Superintendent, as I was justly entitled to.

6. Throughout my career, I have been discharging my duties in every section to which I have been posted in the office, to the satisfaction of my superiors and in turn they have been pleased to recommend me to draw the increments year after year. I reached my maximum pay of Rs.175/- in January 1939.

7. By the retirement of the present Superintendent, there will be a vacancy in the office of the Assistant Superintendent. I humbly request that the Government may be pleased to appoint me in this vacancy as I am the senior of the two Sub-Assistant Superintendents now working in the Press. That I am able to discharge my duties satisfactorily will be evident from what has been stated in para 2 above.

8. I may be kindly permitted to add that this is the last chance I have for improving my prospects. I have got

only five years and some months to serve, as I will be reaching my 55th year in March 1946. If I am appointed as Assistant Superintendent now, I will be able to get only two increments in the new grade, which at least I feel I am justly entitled considering the nature of work I have done and the period of Superior Service I have put in.

In consideration of the facts mentioned above, I beg most respectfully to request that you will be pleased to move the Government to my promotion to the office of the Assistant Superintendent as from the date of the next vacancy in connection with that office occurs.

I beg to remain,

Sir,

Your most obedient servant,

Sd/ D. Daniel

Sub-Assistant Superintendent, Government Press, in charge of the Central Book Depot and Press Accounts.

Bangalore
1st May 1939.

Respectfully submitted.

With reference to ~~xxxxx~~ my representation dated 1st May 1939 praying for my promotion to the office of the Asst. Superintendent which falls vacant when the present Superintendent retires from service, I understand that orders have been passed by the Superintendent to the effect that my request cannot be supported as I do not possess any University qualificationsand have had no technical training in the press work, but that however, in view of my having reached the maximum of the grade i.e. Rs.175/- in January 1939, and the work I have done in the Depot and my having only six years of service, it has been proposed that I should be recommended for a personal allowance of Rs.25/- per month from 1st January 1940.

2. In this connection, I beg to submit respectfully that University and Technical qualifications are not the sole essentials for the successful management of business concerns while long and varied experience and ability to control labour are equally as important as academical qualifications. With the former qualifications I have worked for the past twenty years in various capacities connected with the printi trade. The fact that the Covernment appointed me to the po of the Sub-Asst. Superintendent in the Press Department and that to be in charge of the Printing Section in the year 19 and the further fact that the Superintendent recommended me after one year's probation to continue my services for an additional period testify to the fact that I am not wanting in technical knowledge.

3. Before I was taken over by the Government, I had alsc served for a period of twelve years in the Bangalore Press and that solely in the Printing section, The work of the Bangalore Press is well known and has been highly comended universally. The fact that I was its " Overseer " in the

the Printing Department was the main reason why I was selected to the post of the Sub-Asst. Superintendent in the Government Printing Press, a capacity in which I gave entire satisfaction to the then Superintendent. To suggest that I have - after a total service of Fifteen Years in all, in the Printing line - seems serious injustice to me. I humbly request that this aspect of the matter may be given due weight.

4. During 1930, When the first Sub-Asst. Superintendent was directed to be in charge of the Stationery Depot and the second Sub-Asst. Superintendent was undergoing training in England and the General Foreman was undergoing training at Ladras, I was appointed to look after single-handed all the work of the above three in the Printing Section.

5. During the strike that occured in 1931, I managed the Printing Press without any damage to the Government property and without causing any dislocation of "Urgent" work for the several Departments of Government. All these facts show that my capacity in the Printing line is an undoubted and established fact.

6. In these circumstances, it will be conceded readily that I am quite able to discharge my duties as Asst. Superintendent in the Press Department with the same success in the Working Branch, in the Stationery or in the Book Depot. I, therefore request the Superintendent once again to see his way to recommend my case for the post prayed for.

Fully trusting that my humble request will meet with the sympathetic support of the Superintendent.

22nd May 1934.

Sd/ D. Daniel.

Submitted

Note on the Gazetted Staff of the Government Press and allied Offices.

--0--

1) The Gazetted Staff of the Government Press and allied Offices consists of one Superintendent and four assistants, at present. Of these four, one is in charge of the Branch Press at Mysore, the other three are at Bangalore. One supervises the Stationery Depot and the administrative Branches of the Government Press, the other, the Press Working Branches, and the third, the Government Book Depot and Press accounts.

2) Due to an all-round increase of work in these sections caused by the steadily expanding activities of the various departments of Government, it has not been possible for each of these assistants to pay proper attention to the innumerable details involved in the nature of work entrusted to them, with the result that though these officers work early and late much remains to be done in the matter of improving efficiency as well as quality of work turned out in the branches. The following require immediate attention:-

(1) Improving the organisation for the timely supplies of adequate quantities of Blank forms and registers to all the Departments of Government.

(2) Satisfactory plan to be evolved for the Government Printing Office alone to print, publish and sell the various Text books of the Department of Public Instruction to the Public so that they get prompt service and best value for their money.

(3) Arrangement to improve the quality of work turned out generally, more emphasis being palced on the provision for doing the work of the Publicity Department of Government as well as other semi Government (Commercial) concerns so as to be on a par with the best work that is turned out by up-to-date Printing-Establishments in the Country.

(4) Introduction of the costing system of accounts in this Press as has already been done in other

Provincial Government Presses so as to prevent waste and increase effieiency in the working of the different sections.

3) To tackle the above problems properly, extra Officers are necessary. The establishment at the Branch Press, Mysore, has been recently increased and new equipment has been added to handle the greatly increased printing work of the Railway Department. Further expansion of equipment and men to handle most of the Text books of the Department of Public Instruction is an urgent necessity which will need all the attention of an extra officer.

4) The introduction and working of the costing system of Press accounts so as to link properly the administrative sections of the Printing Office with the working branches requires the close attention of one officer. This will relieve the existing officers of some work so that they can pay closer attention to the work of the Stationery Depot including the Forms Branch, of the Government Book Depot, and of the Working Branches of the Printing Office. Thus, two more officers of at least the status of a Sub-Assistant Superintendent on 125-10-175, at an average monthly cost of Rs 316-10-8 are necessary at present. As against this extra cost there would be a savings of Rs 161-10-8 as per the proposals submitted in this office letter No.P. 4254, dated 18th April 1939 for the appointment of a Sub-Assistant Superintendent against the vacancy of an Assistant Superintendent. So, the net extra cost would be only Rs 155-0-0 per month. In view of the improvements urgently required to be effected, especially regarding the concentration of printing of all Publications of the Department of Public Instruction at the Government Printing office alone, so as to meet the demands of the Public satisfactorily this extra cost is worth while incurring. In fact, it may be charged on the cost of the books which can be produced better and quicker, with timely service to the public, if the printing of all of them is concentrated at the Government Printin

printing Office.

4) Due to the usual far sighted policy of the Government, three well qualified youngmen have been taken as Probationers and are going through the mill, proving themselves worthy of being entrusted with responsible technical positions. Also intelligent officials who have risen from the ranks in the Pr are continuing to discharge responsible and onerous duties temporarily entrusted to them very satisfactorily.

5) If these views commend themselves to Government, they m be pleased to appoint the two Probationers who will be complet their probation early next year as Sub-Assistant Superintenden and confirm as Sub-Assistant Superintendents, the two official who have risen from the ranks and have aaquitted themselves satisfactorily as acting Sub-Assistant Superintendents. The relative ranks of all these officers may be fixed as and when occasions arise purely on merit and good satisfactory work put in by them.

6) Lastly, it is essential that the existing department of Lithography in the Press should be urgently improved and modern equipment for purposes of Publicity printing of Government, - installed in the very near future, when another officer would be required to look after this most important work. The remaining Probationer may be appointed for this work when he completes his probation. To provide for this one of the posts in the superio grade of ministerial establishment of the Press which may fall vacant in the near future may be kept unfilled.

GEN. & REV. SECTT. 10 JULY 1939 GEN. MIS. BRANCH.

To

Sir,

I have the honor to submit herewith for consideration a memorial from Mr. M. S. Narayana Rao, Supervisor, Government --- Stationery Depot, praying for promotion.

I have the honor to be,
Sir.
Your most obedient servant,

Superintendent
In charge.

A.P.S.

To

The Secretary to Government,
Development Department, Bangalore.

Through

The Superintendent In charge,
Government Press & Stationery Depot, Bangalore.

Respected Sir,

I beg to submit this my Memorial for consideration of my case in the existing vacancy of Sub-Assistant Superintendent of the Press and Stationery Depot.

I have worked as Stationery Supervisor for two years and have been attending to the heavy and responsible duties -- entrusted to me to the satisfaction of my official superiors. I have put in a long service of 12 years in the Department, having been specially selected as Proof Examiner on Rs.50/- in an advertised vacancy for correcting the proofs of the Mysore Gazetteer in September 1926 during the time of the previous Superintendent Mr. B. Puttaiya, and have competently worked in several responsible posts of the Press and Stationery Depot all through.

I now beg to state that the Supervisors before me were given chances when the post of Sub-Assistant Superintendent in charge of the Stationery Depot was vacant. But my -- claims have been overlooked and another person from the -- ministerial staff of the Press office has been proposed for the Sub-Assistant Superintendent's post on the eve of the previous Superintendent's retirement. I am a distinguished graduate of the Central College, Bangalore, and have passed the Proof Reading (Senior) and Accounts Higher Examinations with very high marks in both, securing 58% marks in the former and a high rank among a small number of 17 candidates that passed out of 131 in the Accounts Higher Examination in December 1930. I have thus qualified myself fully for an Officer's

appointment in the Press while the other person proposed for the Sub-Assistant's post has not passed the Accounts Higher Examination at all. A kind and sympathetic perusal through the file of my Departmental references and College Certificates (Copies enclosed) will indeed convince you, Sir, that although I had the best of academic careers and the best experience of Stationery Office Work, my case has been overlooked and adequate justice has not been done to me throughout.

I now appeal to the Benign Government to kindly take my case also into consideration for the present vacancy of Sub-Assistant Superintendent and do me justice. This is the only chance for me, Sir, for some prospects in service, and I shall be highly grateful to the Government for a kind recognition of my claims for higher appointment in the Press and for a gracious consideration of my case for the present Sub-Assistant's Superintendent's vacancy in the Press.

I beg to remain,
Respected Sir,
Your most obedient servant,

M. S. Narayana Rao.

I know Mr. M. S. Narayana Rao, B.A., for over ten years. He was first appointed in the Mysore Government Press in 1926 as a Proof Reader specially for correcting the Proofs of the revised Mysore -- Gazetteer. He was thereafter drafted to the permanent staff of the Press as a Proof Reader. He did his work very satisfactorily.

He is a graduate of the Mysore University and also passed the Proof Reading (Senior Grade) Examinations. He has won prizes for -- English in his College days and knows the language very well indeed.

Mr. Narayana Rao is an intelligent and promising young man of quiet-going temperament and ought to do very well for the Press Probationer's appointment now advertised. He is still young and I can -- strongly recommend him for the post.

Sir,

I have the honour to submit herewith for consideration, a representation, dated 1st May 1939, received from Mr. D. Daniel, Sub-Assistant Superintendent, in charge of Book Depot and Press Accounts.

To

The Secretary to the Government of Mysore,

Through the Superintendent, Government Printing, Bangalore.

Sir,

I beg most respectfully to submit herewith a representation to Government in regard to my official status in the Government Press, Bangalore, where I am working for the past ten years.

2. I was appointed as Temporary Sub-Assistant Superintendent of the Government Central Press, Bangalore, in September 1929 on Rs.150/- per month. I was before that employed as Press Overseer on a salary of Rs.100/- in the Bangalore Press and held that post for nearly 12 years. I was recruited for meeting the special exigencies in the Government and entirely because I was found to be one fully equipped for discharging the duties of the post to which I was chosen both by knowledge and experience acquired after service in a Press which is known to Government and the Public as one of the best in the whole of India. As Sub-Assistant Superintendent, I was in charge of the Press Section for nearly three years and during this period the Superintendent being pleased with my work twice recommended me for the grade Rs.150-10-250. But the Government were not pleased to grant me the same on the ground that my appointment was yet temporary.

3. In September 1932, I was appointed as Sub-Assistant Superintendent of the Press to be in charge of the Government Central Book Depot and the Press Accounts on Rs.150/- per month. By this change, I lost a sum of Rs.300/- per year which I was getting in the form of Remuneration for supervising Examination Question Papers, while I was in charge of the Press.

4. On the eve of the retirement of Mr. D. Puttaiya in May 1934 from the office of Superintendent, he was pleased to recommend my case for the third time for a grade Rs.150-10-250. The Government could not take up the matter this time as well, as the scales of the officers in the Press were then under revision.

5. I was confirmed as Sub-Assistant Superintendent in the grade Rs.125-10-175 in October 1935 and was placed below Mr. D. S. Gurubasavappa on the ground that he was entertained in service in 1926, though he was drawing only Rs.75/- at the time I was drawing Rs.150/- per mensem. By this arrangement, I lost the chance of remaining the Senior Sub-Assistant Superintendent, as I was justly entitled to.

6. Throughout my career, I have been discharging my duties in every section to which I have been posted in the office, to the satisfaction of my superiors and in turn they have been pleased to recommend me to draw the increments year after year. I reached my maximum pay of Rs.175/- in January 1939.

7. By the retirement of the present Superintendent, there will be a vacancy in the office of the Assistant Superintendent. I humbly request that the Government may be pleased to appoint me in this vacancy as I am the senior

54

of the two Sub-Assistant Superintendents now working in the Press. That I am able to discharge my duties satisfactorily will be evident from what has been stated in para 2 above.

8. I may be kindly permitted to add that this is the last chance I have for improving my prospects. I have got only five years and some months to serve, as I will be reaching my 55th year in March 1945. If I am appointed as Assistant Superintendent now, I will be able to get only two increments in the new grade, which at least I feel I am justly entitled considering the nature of work I have done and the period of Superior Service I have put in.

9. In consideration of the facts mentioned above, I beg most respectfully to request that you will be pleased to move the Government to my promotion to the office of Assistant Superintendent as from the date the next vacancy in connection with that office occurs.

I beg to remain,

Sir,

Your most obedient servant,

P and S 108-38-8

Dear Sir,

Referring to your D.O. letter No. A.F. 1662/ P. & S. 108-38-7 dated 5th October 1939, raising certain points regarding arrangements proposed consequent on the retirement from service of my predecessor, I write to state as follows:-

I . The increase of work in the Government Branch Press at Mysore is due ~~to~~ not only to a greatly increaded demand for Railway printing consequent on the resumption of new lines by the Mysore State Railway but also to the Branch Press being called upon to participate in the increased demands of Book and Form work of the various departments of Government as well as the University due to their steadily increasing activities.

There have been considerable additions to receipts from paying departments, the increase from the Railway department only amounting to Rs 25,000/-/- in 1937-1938 and Rs 35,000/-/- in 1938-1939.

II. The inadequacy of the Gazetted Staff at the Government Branch Press for effective supervision was brought to the notice of Government as far back as 1927 and the addition of a Sub-Assistant Superintendent to the normal establishment at the Branch Press proposed. Government in their Order No. G. 7032-5/ P. & S. 26-27-2 dated 21/23-12-1927 sanctioned the entertainment of a probationer to be trained for this purpose; but when the probationer completed his training he was absorbed in an existing vacancy in the Gazetted Staff of the Central Press at Bangalore. Thus the inadequacy ~~of~~ in the responsible supervising staff at the Branch Press has continued and with the steady increase of work which is as much as cent per cent in out-put under certain heads and 25 % increase of establishment in industrial hands over the 1927 figures, efficiency has been at a low ebb with all the over work forced on the one Gazetted Officer there. The further increase of work due at the Branch Press consequent on the proposal of

of executing small editions of all the Publications of the Director of Public Instruction in all vernacular detailed in my un-Official Note dated 23rd August 1939 in File No. 296 means that the addition to the Gazetted Staff at the Government Branch Press which was reorganised by Government so far back as 1927 cannot be postponed any longer.

File PJS 36-39 Printing of departmental text-books which is dealt with separately

The Bills of the Government Presses for Text Books printing and all saleable publications of the Director of Public Instruction are paid by the Government Book Depot. The extra cost of the appointment of a Sub-Assistant Superintendent will certainly form part of the overhead expenses for the extra text-book printing to be executed by the Government Branch Press as well as the Government Central Press and will set off - against increased revenue under the head: Sale Proceeds of Educational Books and Maps in the Book Depot Budget.

III. The printing of all the Text-Books of the Director of Public Instruction was being done by the Government Presses only, prior to 1931. In the year 1931 the printing of a portion of these books was entrusted to a Private Press viz: the Bangalore Press, due to - pressure of other Government work in the Government Presses. Later on, since 1936 some more of this Text Books printing had to be given out to Private presses due to greatly increasing pressure of Government work as a result of the expanding activities of Government departments. The difficulties experienced by the Director of Public Instruction in getting text books printed in Private Presses have been fully expalined in detail by him in his D.O. letter No. P.S. 62 of 39-40, dated 19th July 1939 addressed to Government, and to obviate these difficulties detailed proposals have been submitted by me, as desired, for printing all the requirements of the Director of Public -

PJS

63

Instruction at the Government Presses only, as was the case before the 1931, when the demands for this kind of work were small.

Since all text books are saleable publications, bills for printing these are paid out of the grants under the Government Book Depot Budget and the realisations are credited to that department under the head: "Sale Proceeds of Educational Books and Maps". The bills of the Government Presses for work done to the Paying departments such as the Director of Public Instructi (now the Government Book Depot), the Mysore State Railway and the Mysore University, etc. are based upon a Schedule of rates which is in force since 1922.

As most of the work done at the Government Branch Press is for the Paying Departments the total out-put of the Press is valued on the basis of this Schedule of Rates and yearly accounts made up. It can be easily seen from the Statements of accounts, that the Branch Press is making a profit of nearly 65 to 75% on net cost inclusive of all overhead expenses both visible and invisible.

It is also found that bills of Private Presses for most of the Government Work that has been entrusted to them for some reason or other since 1930, have been worked on the basis of this SCHEDULE OF RATES in use at the Government Branch Press and the Central Press, the yearly total of Government work so entrusted to private presses is in the neighbourhood of Rs 60,000/- since 1930.

It is recognised on all hands and by Government in their orders that the execution of Government printing work at private presses should not entail more expense than what it would have cost Government, if the work had been done in the Government Press itself

64

Therefore, it is in the interests of Government to get not only the printing of Text Books but also all other printing work of Government departments including the Railways and the Mysore University, done at the Government Presses alone, until such time when private enterprise will come forward to do Government printing at the rates which would not entail more expense to Government, and also give the same satisfactroy service as the Government Presses are now rendering.

IV. The immediate necessity for increasing the Gazetted Staff at the Central Press has been fully explained in detail in my note to Government submitted with my D.O. letter No. P.84 dated 6th July 1939 and I further wish to emphasise that due to lack of necessary Gazetted Staff for properly supervising and checking the innumerable details, work is suffering and efficiency is below par. As it is, the Press and Stationery Depot is being run short handed since June being one officer short of sanctioned strength. I request therefore that early orders may be passed increasing the strength of the Gazetted Staff as submitted in my note referred to above.

Regarding the eligibility of the Probationers it is found that the Seniormost Probationer Mr. K. Sri Vijayapaliah, having fully qualified himself by passing all the prescribed Examinations and completed training in the several branches of the Press as per Progress Reports submitted from time to time, is, I feel quite capable of discharging the duties of a Gazetted officer of the Press. It is almost three years since he was entertained as a Probationer. Mr. Sri Rama has also passed most of the Examinations and worked in every branch of the Press and in about the next two or three months will be fully qualified. As

65

As regards Mr. R.S. Mounsay, he has had varied training both Theortical and Practical Abroad as well as in India for the past three or four years and is further acquainting himself with the conditions of work in the Government Presses for the past four months.

Yours sincerely,

Order No A 7274-76 / Ot-5108-38-9 Dated ~~7th.~~ 11th December 1939.

The present Gazetted staff of the Government presses consits of---

(1) One Superintendent, Stationery and Printing, on Rs.500-50/2-750.

(2) Two Assistant Superintendents on Rs 200-40/2--400.

(3) that the third post of Sub-Assistant Superintendent be temporary for a period of three years, as it is intended for supervising the printing of educational text books, the cost on this account being included in the sale price of the text books.
